

An overhead view of a modern office space. Several people are seated at long white desks, working on computers. The desks are cluttered with various office supplies, including keyboards, mice, papers, and folders. The office has a clean, professional look with a grey tiled floor and white walls. A large yellow banner is overlaid on the center of the image, containing the text 'ProjectWise 365'.

Project Creation

A person in a blue suit is pointing at a screen. Three white hexagonal callouts are overlaid on the image. The first callout on the left contains the word 'Getting'. The second callout in the middle contains the word 'Started'. The third callout on the right contains the text 'Simply log onto' followed by the URL 'https://projectwise365.bentley.com/' in blue. The background is a blurred image of the person's face and hands.

Work Inbox

Work Inbox

Provides with a quick access for all tasks, design reviews, issues and other pending items assigned to you

- Easily track all action items
- Stay on top of work assigned
- Track items overdue or nearing deadline

The image shows a laptop screen displaying the 'Work Inbox' interface. The interface features a table with columns for Task, ID, Subject, State, Status, Created By, Assigned To, and Due Date. The table contains 12 rows of task entries, each with a task icon, ID, subject, state, status, creator, assignee, and due date. The due dates are color-coded: green for on-time, yellow for near, and red for overdue.

Task	ID	Subject	State	Status	Created By	Assigned To	Due Date

Q&A

Bentley®

An overhead view of a modern office space. Several people are seated at long white desks, working on computers and reviewing documents. The desks are cluttered with various office supplies, including keyboards, mice, printers, and stacks of papers. The lighting is bright and even, highlighting the collaborative work environment.

ProjectWise 365

Thank You!
