

MONDAY 14. NOVEMBER

	Skovsal A	Skovsal B	Skovsal C	Munkebjergsalen	Tree-top 1	Tree-top 4	Fjordsalen	Mødelokale 4+6	Mødelokale 3+5	
9:00	Kaffe og registrering / Coffee and registration									
9:30				Velkomst / Welcome						
9:45				Bentley. Malcolm Walter, COO & Senior Vice President						
10:35	A1 - 3DcityGIS and CityGML in Bentley Map and Bentley Navigator for iPad Keith Raymond	B1 - What's new in ProjectWise SELECTseries 3 Arne Mortensen	C1 - Introducing AECOSim Building Designer Volker Thein	D1 - MicroStation Explore John Frampton	P1 - Bentley Plant - Directions Carsten Gerke	W1 - Hands-on workshop MicroStation SELECTseries 3 (Intermediate Level) Tine Lai Andersen	E1 - Bentley Civil Update and Direction Mike Wilson and Jay Vose	X1 - Introduction to InRoads Roadway Designer, InRoads V8i (Beginner Level) Rob Nice Assists Ian Rosam & Joe Waxmorsky		
11:35	A2 - Beregning og visualisering af sol indstråling på 3D bymodel User together with Peter Byrn	B2 - ProjectWise and the future Rimantas Varanavicius	C2 - Intelligent Structural Modeling and Dashboard Gernot Jeromin	D2 - Dynamic View 4.0 John Frampton	P2 - Open Plant update Carsten Gerke	W2 - Hands-on workshop Print Organizer (Beginner Level) User	E2 - New Tools: Progressions in Civil Engineering Software Jay Vose			
12:35	Frokost / Lunch									
12:45				Keynote. Jernbaner i Danmark - før, nu og i fremtiden						
14:20	A3 - Creating Project-Winning Visualization with Iterative Luxology Rendering Jerry Flynn	B3 - ProjectWise Transmittals Rimantas Varanavicius	C3 - I-modeller, I-ware - hvad er det store billede? Lars Moth-Poulsen	D3 - Lowering the barriers for point cloud reuse Joe Croser, Pointools	P3 - Interoperability with AutoPLANT 64 bit Magnus Cullberg	W3 - Hands-on workshop MicroStation SELECTseries 3 (Intermediate Level) Tine Lai Andersen	E3 - Udveksling af data til VD med BIPS lagstruktur User	F3 - Power Rail Track and Power Rail Overhead Line Rob Nice and Håkan Norling	X3 - Using the New Geometry Tools in Production Jay Vose	
15:30	Kaffe og kage / Coffe and Cake									
15:45	A4 - Plotting Update John Simmons	B4 - ProjectWise Bruger indlæg Usersession with assists from Arne Mortensen	C4 - Architectural Visualization with MicroStation V8i Jerry Flynn	D4 - Fra 3D til 2D User	P4 - Sådan bruger vi AutoPLANT hos GEA Procees Engineering User	W4 - Hands-on workshop MicroStation Explore (Intermediate Level) John Frampton	E4 - An Overview of Templates and End Conditions Joe Waxmorsky	F4 - Nyt spor København - Ringsted User	X3 - Continued Assists Mike Wilson & Kevin Jackson	
16:35	BentleyUser.dk Generalforsamling									
16:45	Bentley Café - Bring your questions. All Bentley Staff						Bentley Civil Café - Bring your questions		All Bentley Civil Staff	
17:45										
19:00	Middag / Dinner (Munkebjergsalen)									

TUESDAY 15. NOVEMBER

	Skovsal A	Skovsal B	Skovsal C	Munkebjergsalen	Tree-top 1	Tree-top 4	Fjordsalen	Mødelokale 4+6	Mødelokale 3+5	
09:00				Keynote Discover the new value in MicroStation V8i SELECTseries 3 Chris Bober						
10:20	Kaffe og kage / Coffee and Cake									
10:30	A5 - WMS tjenester i MicroStation User	B5 - Erfaringer med Annotation Scale User	C5 - Konfigurationsfiler/Dgnlib, hvor ligger de og hvor mange? Lars Moth Poulsen	D5 - Live Demo Mobility and Augmented Reality Keith Raymond	P5 - Tips & tricks for AutoPLANT 64 bit Magnus Cullberg	W5 - Hands-on workshop MicroStation V8i (SELECTseries 3) - Focus on Dynamic Views (Intermediate Level) John Frampton	E5 - Creating Civil Animations with MicroStation V8i SELECTseries 3 Jerry Flynn	F5 - Bridge Products Update and Directions Gernot Jeromin	X5 - Creating Advanced Components and Templates Joe Waxmorsky Assists Rob Nice & Ian Rosam	
11:30	A6 - Lidar point clouds and Bentley Map Mika Salolahti, TerraSolid	B6 - Introducing the ProjectWise PDF Generation Service John Simmons	C6 - cuneco - center for produktivitet i byggeriet User	D6 - Saved Views - hvad kan de (også) bruges til Tine Lai Andersen	P6 - ProjectWise hos NNE Pharmaplan i Kina User	W6 - Hands-on workshop Luxology Rendering og Visualisering (Advanced Level) Ian Rosam	E6 - Infrastruktur og design User	F6 - Introduction to gINT V8i and the Danish Standard Gary Logan	X6 - The practical and hands on approach to using gINT in Denmark	
12:30	Frokost / Lunch									
13:30	A7 - WFS and the new GIS interoperability in Bentley Map SELECTseries3 Keith Raymond	B7 - ProjectWise Administrator and user rights Rimantas Varanavicius	C7 - GenerativeComponents - SELECTseries 3 Lars Moth-Poulsen	D7 - What's new in MicroStation Chris Bober	P7 - AssetWise for all Carsten Gerke	W7 - Hands-on workshop Bentley Navigator Lars Moth-Poulsen	E7 - Terrain Modelling with MicroStation and more Ian Rosam	F7 - New solution for Rail Electrical Håkan Norling	X7 - The practical and hands on approach to using gINT in Denmark	
14:30	Kaffe og kage / Coffe and Cake									
14:45	A8 - Data Acquisition Overview for Bentley Map & InRoads Keith Raymond and Ian Rosam	B8 - ProjectWise ProjectWise and the web Rimantas Varanavicius	C8 - Little BIM, Big BIM Alan Lamont	D8 - Tips and Tricks i MicroStation Tine Lai Andersen	P8 - Raceway Cable Management product update Andreas Stolpe	W8 - Continued User	E8 - Dynamic Modeling with InRoads Kevin Jackson	F8 - Subsurface Utility Engineering - the future of S&S part 2 Mike Wilson and Jay Vose	X7 - Continued By user with assists from Gary Logan	
15:35	Afslutning af årsmøde - Nordic Civil will continue									
16:10	B9 - PLOT SIG møde Future directions and high priority issues John Simmons									
17:00								E9 - En/flere Roadways med én template User	F9 - Subsurface Utility Engineering - the future of S&S part 2 Mike Wilson and Jay Vose	X9 - Building Surfaces Using InRoads Rob Nice Assists Ian Rosam & Joe Waxmorsky
17:10								E10 - When Typical is Not "Typical" Kevin Jackson		
18:00										
19:30	Middag / Dinner (Salon H-I)									

WEDNESDAY 16. NOVEMBER

	Fjordsalen	Mødelokale 3+5	Tree-top 1	Tree-top 4
09:00	E11 - Roadway Designer - Keep It Simple But Thorough Kevin Jackson	X11 - New Tools: Creating Roundabout Libraries Ian Rosam Assists Rob Nice & Jay Vose	Y11 - Kom godt i gang med GenerativeComponents Lars Moth-Poulsen	Z11 - Visualizing with V8i SELECTseries 3 (Intermediate Level) Jerry Flynn
09:50	E12 - Customizing Your Civil Application to Work How You Work Mike Wilson			
10:00				
10:50	Kaffe og kage / Coffe and Cake			
11:00				
11:15	E13 - Intersection Design with Roadway Designer Joe Waxmonsky	X13 - Customizing Your Civil Application to Work How You Work Joe Waxmonsky		
12:05				
12:15	E14 - Gore Design with Roadway Designer Joe Waxmonsky	Rob Nice Assists Mike Wilson & Ian Rosam		
13:05				
13:15	Frokost / Lunch			
14:00	E15 - Parametric Controls & Component Display Rules i praksis User	X15 - Intersection Design with Roadway Designer Joe Waxmonsky Assists Mike Wilson & Jay Vose		
14:50				
15:00	E16 - Roadway Designer - The Really Cool Stuff! Kevin Jackson			
15:50
